Chet atkins windy and warm tutorial

Learn To Play Windy and Warm As you learn to play Windy and Warm, be sure to frequently return to the performance as a good reference point and guide. There's a short four bar intro to kick things off. The verse is just two chords - Am and Em and is a little tricky at times. For instance, the bend you have to do with your pinky can be pretty tough at first but overall it isn't too hard to play. Also, watch out for the alternating base line outlining the chords throughout. You may want to practise just the thumb on its own to begin with. Develop your fingerpicking skills and musicality with the COMPLETE GUIDE TO FINGERSTYLE GUITAR: INTERMEDIATE LEVEL. This is the perfect course to develop you into an accomplished intermediate player. Join the course today and take your fingerstyle playing up a gear! Here we have the first of three bridges, this one is by far the most straightforward of them all. It may even be the easiest section of the whole of Windy and Warm. For the second bridge things get a little harder. Break through the intermediate barrier and become the advanced fingerpicker you always wanted to be. Join the course today and master the skills you never thought you could! This is generally hard for the third bridge of Windy and Warm, there's all sorts of bends here. You may find the diminished run at the end particularly difficult, I know I did. The real hard work is done now thankfully, but you're not out of the woods just yet. We Recommend These Songs Next Learn To Play Windy and Warm As you learn to play Windy and Warm, be sure to frequently return to the performance as a good reference point and guide.
